## NATIONAL TEACHERS COUNCIL

### Promoting Excellence and Innovation in Teaching & Learning

NTC is a professional educators' organization, committed to propel advancement in the teaching profession by offering modern approaches and scientific materials. The aim is to promote teacher advocacy and professionalism as well as student collaboration and competition, without a partisan agenda.

### National Level Olympiads & AITSE

National teachers Council Organizes National Level Olympiads in Mathematics, Science and AITSE with the objective of preparing them to confidently face the challenges of the competitive career driven world. Our examinations foster thinking skills, impart healthy competitive spirit, and above all identify, nurture and appreciate the talents of students.

### Objectives of National Level Olympiads

- To provide a National Level platform for students to compete with their peer in school subjects.
- To provide an opportunity to begin a systematic preparation towards competitive examination that comes after Class X & XII.
- To improve the thinking capacity, problem solving skills, confidence and hence helps in an all over development of a student at a young stage.

### How is the Olympiad Exams beneficial to students?

- Improves the academic performance of students.
- Cultivate a kind of analytical thinking in the children which is useful in competitive examinations like IIT –JEE, NEET, CAT, GMAT, Civil Service, IBPS
- Stimulates the students' interest and enthusiasm in problem solving, creative thinking and critical analyzing.
- Help students to test their understanding, level of knowledge and power of reasoning
- Provide students about their academic strength, weakness and progress.
- Certificate to all the participants
- Prizes worth ₹ 25 Lakhs

### Role of School

- Decide Teacher in charge/ Coordinator for Olympiad Exams & AITSE
- Inform to students the details of Olympiad exams and motivate them to enroll for the same.
- Students can register online for Olympiads by themselves
